

Dundee Smart Care Convention 2017

Dundee
**Health & Social Care
Partnership**

DVA Dundee Voluntary Action
Supporting • Developing • Connecting

.....
Wednesday 15 February • 12 noon to 4.30pm
The Caird Hall, City Square, Dundee DD1 3BB

Do you work in Health and/or Social Care?

Do you care for someone with Health and/or Social Care needs?

Are you wondering how you can keep your independence?

This is your chance to learn more about new technology for care. You can also influence the development of technology enabled care in Dundee.

All are welcome

Exhibition

Technology to support care, healthcare, mental wellbeing and independent living
